RE: East Helena Site/104(e) Request

Dear Ms. Bohan:

This letter confirms our telephone conversation of April 25, 1990 in which you confirmed that the second 104(e) request dated April 13, 1990 and received by Asarco on April 20, 1990 was sent in error. You advised me that Asarco should disregard this second notice.

As you know, Asarco responded to the initial 104(e) request and submitted its information to EPA on April 16, 1990. Please feel free to call me if you have any questions or if this is not your understanding.

Sincerely,

*Cynthia S. Leap*
